Inside "Paradise Lost" opens up new readings and ways of reading Milton's epic poem by mapping out the intricacies of its narrative and symbolic designs and by revealing and exploring the deeply allusive texture of its verse. David Quint’s comprehensive study demonstrates how systematic patterns of allusion and keywords give structure and coherence both to individual books of Paradise Lost and to the overarching relationship among its books and episodes. Looking at poems within the poem, Quint provides new interpretations as he takes readers through the major subjects of Paradise Lost—its relationship to epic tradition and the Bible, its cosmology and politics, and its dramas of human choice. Quint shows how Milton radically revises the epic tradition and the Genesis story itself by arguing that it is better to create than destroy, by telling the reader to make love, not war, and by appearing to ratify Adam’s decision to fall and die with his wife. The Milton of this Paradise Lost is a Christian humanist who believes in the power and freedom of human moral agency. As this indispensable guide and reference takes us inside the poetry of Milton’s masterpiece, Paradise Lost reveals itself in new formal configurations and unsuspected levels of meaning and design.

HarperCollins is proud to present its new range of best-loved, essential classics.

William Poole recounts Milton's life as England’s self-elected national poet and explains how the greatest poem of the English language came to be written. How did a blind man compose this staggeringly complex, intensely visual work? Poole explores how Milton’s life and preoccupations inform the poem itself—its structure, content, and meaning.
Paradise Lost is an epic poem in blank verse by the 17th-century English poet John Milton. It was originally published in 1667 in ten books, with a total of over ten thousand individual lines of verse. It is considered by critics to be Milton's "major work", and the work helped to solidify his reputation as one of the greatest English poets of his time. The poem concerns the Biblical story of the Fall of Man: the temptation of Adam and Eve by the fallen angel Satan and their expulsion from the Garden of Eden. Represented with 50 illustrations by Gustave Doré.

Originally published in 1896, this book presents the text of the ninth and tenth books of Milton's Paradise Lost, in which humanity succumb to satanic temptation and are ejected from the Garden of Eden. The poem is accompanied by a biography of Milton, a history of the poem, a discussion of the cosmology of Paradise Lost and other scholarly appendices. This book will be of value to anyone with an interest in Milton and the history of Paradise Lost.

In this, the first introductory volume of the Cambridge Milton for Schools and Colleges, Professor Broadbent, the general editor of the series, presents background and introductory material essential to students for a proper understanding of Paradise Lost. Chapters on mythology, the epic, the writing, publication and subsequent editing of PL and on Milton's ideology and world-view, provide the background to the poem as a whole. The second half of the book engages with the poetry at a more detailed level and examines themes, structures, allusion, language, syntax, rhetoric, similes, rhythm and style, always showing the reader how he can best understand and appreciate Milton's usage. Extensive quotation from PL and other works by Milton and others helps to make all clear.

John Milton’s epic story of cosmic rebellion and the beginning of human history has long been
considered one of the greatest and most gripping narratives ever written in English. Yet its intensely poetic language, now-antiquated syntax and vocabulary, and dense allusions to mythical and Biblical figures make it inaccessible to many modern readers. This is, as the critic Harold Bloom wrote in 2000, “a great sorrow, and a true cultural loss.” Dennis Danielson aims to open up Milton’s epic for a twenty-first-century readership by providing a fluid, accessible rendition in contemporary prose alongside the original. The edition allows readers to experience the power of the original poem without barriers to understanding.

Edited by William Kerrigan, John Rumrich, and Stephen M. Fallon John Milton’s Paradise Lost, an epic poem on the clash between God and his fallen angel, Satan, is a profound meditation on fate, free will, and divinity, and one of the most beautiful works in world literature. Extracted from the Modern Library’s highly acclaimed The Complete Poetry and Essential Prose of John Milton, this edition reflects up-to-date scholarship and includes a substantial Introduction, fresh commentary, and other features—annotations on Milton’s classical allusions, a chronology of the writer’s life, clean page layouts, and an index—that make it the definitive twenty-first-century presentation of John Milton’s timeless signature work.

This volume presents superb royalty-free reproductions of all 50 plates Doré created for a 19th-century edition of "Paradise Lost." Among the events depicted: the expulsion of Satan from Heaven, Adam and Eve in Paradise, the nine-day fall of Lucifer's legions to Hell, the Creation, the temptation of Eve, and the Flood.

Paradise Lost remains as challenging and relevant today as it was in the turbulent intellectual and
political environment in which it was written. This edition aims to bring the poem as fully alive to a modern reader as it would have been to Milton's contemporaries. It provides a newly edited text of the 1674 edition of the poem—the last of Milton's lifetime—with carefully modernized spelling and punctuation.

In 1967 Milton studies was divided into two camps: one claiming (per Blake and Shelley) that Milton was of the devil's party, the other claiming (per Addison and C. S. Lewis) that the poet's sympathies were obviously with God and his loyal angels. Fish has reconciled the two camps by subsuming their claims in a single overarching thesis.

This is a guide to Milton's major work, "Paradise Lost" providing notes which refer to extra-literary contexts, and aiming in particular to explain Milton's imaginary astronomy more fully than previous editions.

This second edition of Approaches to Teaching Milton's Paradise Lost addresses Milton in the light of the digital age, new critical approaches to his poem, and his continued presence in contemporary culture. It aims to help instructors enliven the teaching of Paradise Lost and address the challenges presented to students by the poem--the early modern syntax and vocabulary, the political and theological contexts, and the abounding classical references. The first part of the volume, "Materials," evaluates the many available editions of the poem, points to relevant reference works, recommends additional reading, and outlines useful audiovisual and online aids for teaching Milton's epic poem. The essays in the second part, "Approaches," are grouped by several themes: literary and historical contexts, characters, poetics, critical approaches, classrooms, and performance. The essays cover epic conventions and literary and biblical allusions, new approaches such as
ecocriticism and masculinity studies, and reading Milton on the Web, among other topics.

One of the oldest and most powerful stories of all time—God and Satan, Adam and Eve—retold in stunning graphic novel form by the dark and beautiful imagery of Pablo Auladell. Milton's epic poem charts humanity's fall from grace and the origin of the struggle between God and Satan, good and evil, life and death. In the aftermath of the Angels' devastating defeat in the war for Heaven, Satan determines to seek his revenge. Meanwhile, Adam and Eve have newly awakened in the Garden of Eden. . . . First published nearly three hundred and fifty years ago, Paradise Lost has now been reimagined by the Spanish artist Pablo Auladell. His bleak and surprising imagery captures the lyricism of Milton's original for a new audience—and is a masterful tribute to a literary classic.
